Donating Time and Raising Money for Habitat for Humanity Continues to Be a Priority at MainStreet Design Build

BIRMINGHAM, MI – June 3, 2010 For over ten years, MainStreet Design Build has volunteered their carpenters for hands-on work, as well as raised money for Habitat for Humanity of Oakland County (HFHOC). This year, MainStreet continues this tradition.

The entire team of carpenters will once again be working for Habitat's Blitz Build on a home in Pontiac Michigan June 22nd and 23rd. MainStreet also recently held a unique fundraising effort, throwing one of Habitat's "World's Biggest House Party" events which raised \$3,000 for the organization!

"As part of the remodeling industry for almost 20 years, we've seen the emotional transformations that occur when a house turns into a home," says Christine Ramaekers, CKD and Vice President of MainStreet Design Build. "We are passionate about contributing to such a wonderful local organization. Donating our time and talents to those in need within our own community is a priority for everyone in our company," she adds.

"If Habitat for Humanity had a hall of fame in Oakland County, MainStreet Design Build would be in it. They are in a class by themselves when it comes to creativity, generosity, skill, and verve. Habitat for Humanity homeowners are very grateful," said Brad Irwin, Director of Partnerships at Habitat for Humanity of Oakland County.

About Habitat for Humanity of Oakland County

Habitat for Humanity of Oakland County is a nonprofit, ecumenical Christian housing ministry. The organization seeks to eliminate poverty housing and homelessness from Oakland County, Michigan, and the world, and to make decent shelter a matter of conscience and action.
