## **Main Street Design Build Designated *Toys for Tots* Drop-Off Site**

**BIRMINGHAM, MI – November 17, 2009** – When MainStreet Design Build began their showroom remodel by removing the kitchen displays, they quickly realized they had a great chance to help the community. With a large space available until the construction is finalized in early 2010, MainStreet felt they had the perfect place as a Toys for Tots collection center.

Toys for Tots is a program managed by the U.S. Marine Corps Reserve to collect new, unwrapped toys in November and December of each year, and distribute those toys as Christmas gifts to needy children in the community in which the campaign is conducted.

“We are so happy that our current open space allows us to contribute to the success of the Toys for Tots program,” said Christine Ramaekers, CKD and Vice President of MainStreet Design Build. “With the state of the economy, we know how important it is for the metro-Detroit community to help our own families in need,” she adds.

“We are so appreciative of the help we are receiving from MainStreet Design Build. This year especially, we are in desperate need of toys. Toys for Tots could not function without businesses like theirs – we are so grateful and truly appreciate their willingness to help our local children have a Merry Christmas,” said Debra Walls, Local Area Coordinator for the Southeast Michigan Toys for Tots Program.

Put a smile on a child’s face by bringing unwrapped toys to the MainStreet Design Build showroom:
