Main Street Design Build Welcomes Award Winning Architect Brian Schulz, AIA

BIRMINGHAM, MI – March 25, 2010 – MainStreet Design Build is pleased to announce that Brian Schulz, AIA, has joined the firm as Director of Architecture. Mr. Schulz has been in the residential architecture industry for over 20 years, and his award winning designs have been featured in Veranda, Style, Hour and Detroit Home.

“Brian has taken our design team to a much higher level of expertise,” says Steve Ramaekers, President of MainStreet Design Build. “Adding such a talented registered architect to our team gives us the opportunity to offer clients an unparalleled experience from design through the construction of their project.” Steve adds that he “is excited to be entering 2010 with a growing staff.”

Brian Schulz, AIA

Now in its 19th year of business, MainStreet Design Build continues its commitment to excellence in residential remodeling for clients throughout Oakland County and Southeastern Michigan, and has also recently added another production manager to the staff.

ABOUT MAINSTREET DESIGN BUILD

Based in Birmingham MI, MainStreet Design Build is a full service design through construction firm serving the metro-Detroit area since 1991. The in-house architectural and design team, along with a staff of licensed carpenters offer residential clients innovative solutions for award winning additions, kitchen and bathroom transformations, custom home designs, and a handyman division for smaller projects.
