Main Street Design Build Designated *Toys for Tots* Drop-Off Site

BIRMINGHAM, MI – December 9, 2010 – MainStreet Design Build is once again pleased to be designated as a collection site for the Toys for Tots program.

Managed by the U.S. Marine Corps Reserve, Toys for Tots is a program to collect new, unwrapped toys in November and December of each year, and distribute those toys as Christmas gifts to needy children in the community in which the campaign is conducted.

“Participating as a collection center has been a great experience. We are able to talk with the generous people providing donations, and hear the stories behind the toys they have selected. We’ve also had folks just write a check – it all goes to such a good cause,” said Christine Ramaekers, CKD and Vice President of MainStreet Design Build. “With the state of the economy, I think we all know how important it is for the metro-Detroit community to come together and help our own families in need,” she adds.

“We are so appreciative of the help we are receiving from MainStreet Design Build. This year especially, we are in desperate need of toys. Toys for Tots could not function without businesses like theirs – we are so grateful and truly appreciate their willingness to help our local children have a Merry Christmas,” said Debra Walls, Local Area Coordinator for the Southeast Michigan Toys for Tots Program.

Put a smile on a child’s face by bringing unwrapped toys to the MainStreet Design Build showroom:
