Main Street Design Build Designated *Toys for Tots* Drop-Off Site

BIRMINGHAM, MI – November 16, 2011 – MainStreet Design Build is pleased to again participate as an approved collection site for the metro Detroit area Toys for Tots program.

Managed by the U.S. Marine Corps Reserve, Toys for Tots is a program to collect new, unwrapped toys in November and December of each year, and distribute those toys as Christmas gifts to needy children in the community in which the campaign is conducted.

“We really enjoy participating as a collection center. Knowing that we will be helping families in need have a happy holiday is a great way to start the season,” said Christine Ramaekers, CKD and Vice President of MainStreet Design Build. “Our gift givers love to share the reason behind the gifts they have donated. And we’ve had several clients drop off and mail us checks. We’re trying to make it easy for people to donate to a great cause,” she adds

“Knowing that we can count on companies like MainStreet Design Build to promote the Toys for Tots message and collect the toys is extremely helpful. Times are still tough and we are thankful for their desire to help children in our community feel special,” said Debra Walls, Local Area Coordinator for the Southeast Michigan Toys for Tots Program.

Donations for new, unwrapped toys or financial donations via check can be brought to the to the MainStreet Design Build showroom:
